The Mason LINE

by Chan Mason

Things we should do, but probably won't:

Drop a note to Lt. C. W. Vandenberg for his truly heroic work in guiding that pilotless plane away from our populated shore line.

A letter from some of our Civic groups might possibly aid that young man in gaining a promotion—at least, it would be a way of showing in a small way, that we appreciate his brave act.

—ML—

Quite an enthusiastic response at the first organizational meeting of the new Swimming Pool Committee. We will be hearing a lot more of the work of this committee soon.

—ML—

Made a round-trip to L. A. Sunday by car. We witnessed the results of four accidents, one involved four cars, another, a motorcycle crashed into a car killing two persons. This is wholesale carnage. We don't know the answer but we know it is not to be found in the reported sentencing of a drunken driver by an Escondido judge. The guy had been sentenced three times within two years for the same offence. He was driving without a license as his had been taken from him in a former conviction.

Anyway, the sentence went about like this; 6 months jail sentence all but 14 days suspended, fine $250. Oh Brother!

—ML—

Speaking of traffic — notice anything unusual in our town along that line recently?

—ML—

Now that the deadline is approaching for filing as a candidate for the State Assembly, you might ask yourselves why more good citizens don't file. We think for one thing that the mere mention of the word politician now connotes a person who is impervious to insults, slander and name calling and that he must also be rather adept at handing out the same kind of vile vituperation to his opponents. There's also the matter of pay, $3600.00 a year.

You figure it out. If we want good men, let's pay 'em.

Mrs. Van Alstine Is Winner of Spring Outfit

If Lemon Grove looks more like Fifth Avenue on Easter morning it is because Mrs. Jane Van Alstine of 8724 Lemon Ave. was named winner of a complete outfit during the Piggly-Wiggly expansion and re-opening ceremonies.

Mrs. Van Alstine is a clerk at the Lemon Grove Linoleum Store.

Lakeside Rodeo Set for Saturday & Sunday

World champion cowboys from Arizona, Texas, Oklahoma and California are arriving at Lakeside this week to participate in a rodeo Saturday and Sunday starting at 2 p.m.

Trick riders, trick ropers, motion picture stunt girls and clowns also will perform during the two-day event.

Rodeo stock—300 head of bucking broncs, wild bulls for riding, calves for roping and steers for bull dogging—has been brought in from Newhall, Calif., by Andy Juaregui, arena director.

Montie Montana, his wife and two youngsters will appear several times during the show in precision riding and roping events. The famed Lucas Sisters, Shirley and Sharon, who have appeared in motion pictures as "stunt girls," will give trick riding performances. Sherman Crane, popular "clown" from Midway City, also will be on hand to amuse the audience and protect the bull riding contestants.

Rebekahs Name Convention Delegates

Mesa Jewell Rebekah Lodge 409 I.O.O.F. will meet on Wednesday at 7:30 p.m. at 8263 La Mesa Blvd., with Mrs. Verdah Lyng Noble Grand presiding, assisted by the Vice Grand Mrs. Ima Masters, for the regular business session. The refreshment chairmen for the evening are Mr. and Mrs. Wm. Hall.

Delegates elected to the Rebekah Assembly were Mrs. Pennelle Adams. Mrs. Josephine Martin is Lodge delegate.

Miss Connie Greaser of National City and a student of Sweetwater Union High School was the winner of the speech contest held at Sunset Odd Fellows Hall recently. A trip to the United Nations is the prize. The event is sponsored by the Odd Fellows and Rebekahs of Area 10 each year.

Rotary Club Formed in Grove

Formation meeting of the Lemon Grove Rotary Club was held Monday to an enthusiastic turnout at Michael's.

Twenty three newly signed members heard temporary president Harry Griffen describe activity leading up to the meeting. Members of the La Mesa Rotary, who sponsored the Lemon Grove organization, welcomed the new group into the fold. Sid Campbell and Joe Parks, both active in La Mesa Rotary, addressed the group.

The new members, who will meet every Monday, heard Bruce Watts, past-president of the San Diego Rotary and former Lt. Governor of the same organization, explain the meaning of Rotary.

Griffen, executive of Mt. Helix Associates and past president of the La Mesa Rotary, said that a nominating committee for regular officers would be named at the next meeting. An election normally follows within a few weeks of the nominating event.

Mrs. Roosevelt To Present Bonds To Essay Winners Saturday

Mrs. Franklin D. Roosevelt will present Defense Bonds to four winners in the 8th annual United Nations Essay Contest, conducted during March in the 16 city and county high schools, Saturday in Russ Auditorium.

Mrs. Roosevelt, who will make the awards in behalf of the San Diego Chapter of AAUN, sponsor of the contest, is presenting an interesting and informative program Saturday at 2 p.m. at Russ Auditorium. Doors open at 1 p.m. and tickets, $1.21 including tax, are available at Thearle's, Palmer Box Office, 640 Broadway. Just a few tickets will be available at the theatre.

Helix High School, again participating, brought Lemon Grove an award last year through the efforts of Marjorie Tripp. She was sent to Berkeley by the local chapter, all expenses paid.

Dignitaries from San Diego County will be present for Mrs. Roosevelt's address, titled "Outlook for the United Nations." Foreign students from State College will act as ushers and ladies from the Council of Church Women will be hostesses.

For information contact the local chapter AAUN, Room 16, House of Hospitality, Balboa Park or call BE 3 3970.

Congress Candidate To Visit With Grove Couple

Mrs. Maurice Enderle, Democratic candidate for Congress from our 28th District, will spend next Monday in Lemon Grove. She recently returned from a world tour, during which she attended as delegate the world congress of the YWCA.

She is the mother of two sons, both in the military service; one a graduate from West Point; one a graduate from Annapolis.

Remarkably, this personable widow of 52, is a long time resident of Tustin in Orange County, the home town of Congressman Utt, and his high school classmate. There, her late husband served long and honorably as tax assessor. Since his death, she has operated the family orange acreage, and has long been a leader in local P-TA, Red Cross, YWCA, Ebell, and various veterans' auxiliaries. In her own words: "I am able to devote my time and energy to advancing the principles of our party so ably expressed by Adlai Stevenson."

While in Lemon Grove, she will be the guest of Mr. and Mrs. John Landesco of Skyline Blvd.

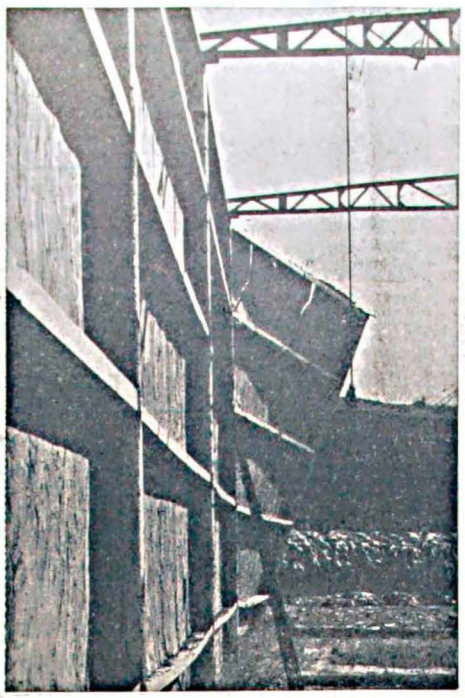
Broadway Wall Leans—Doesn't Fall



Most everyone who approaches Lemon Grove wonders about the huge concrete and steel unfinished building at 7250 Broadway, just west of Massachusetts.

The building with one of its walls curled inward in the unseemly manner shown in the above photo, is owned by engineering contractor, J. A. McClurken, 4335 McClurken Dr.

The building was started when a rattan furniture manufacturer approached McClurken for a location in Lemon Grove. After a long period of waiting for approval by the Planning Commission both the manufacturer and McClurken gave up the idea. Vandals loosened the wind-bracing chains and the top of the side wall tilted inward.

"The building was designed for a rattan manufacturer and he would have brought a sizable payroll to Lemon Grove. It would not have been noisy or dirty. The Planning Commission objected because a portion of the building was in a residential area. I had already started the building but the disagreement was spread over such a long period that I got discouraged. The manufacturer got disgusted with obstructions and confusion presented by the Commission and they pulled out of San Diego and now operate in San Francisco.

"Another rattan manufacturer, presently operating on State Street, wanted the location for expansion purposes and planned to hire 100 people. They ran into the same confusion and lost interest.

"I have invested $30,000 in the building so far but have no plans for the structure in the near future.

"Here is an instance where practical planning could do the community a great deal of good. Meanwhile I've turned my attention to problems that seem to offer a brighter outlook."

The Review asked J. S. Waldrep, Chief of Building Inspection Division for his side of the toppling picture several months ago but nothing save official silence resulted.

McClurken said that the walls are being braced against hazards to trespassers.

Meanwhile many of the residents in the area were divided as to opinion. Some wondered if the wall would topple and some were concerned that it would not.

The Dimmer VIEW

by Max Goodwin

Jack McMahan, a successful business man who operates a string of furniture stores, one of which is in Lemon Grove, is an acquaintance of mine in whose judgment I have faith and trust.

His generosity impelled him to fly his private plane, loaded with 600 pounds of food, which was gathered and contributed by some equally generous families in Coronado, to the distressed inhabitants of the destitute mining town of Santa Rosalia, after another newspaper told a dramatic story of privation and hardship facing the populace as a result of the town's major industry, a copper mine, petering out.

Government representatives of the southern territory of Baja California refused this humanitarian gesture and labeled it "propaganda," stating that no hunger existed and there was no need for food. At the strong urging of McMahan, an official reluctantly accepted it and added it to foodstuff which was being transported to a warehouse that same day by 13 Mexican trucks which were then unloaded by Mexican soldiers. Instead of American food being dispensed at that time to hungry families for whom it was intended, it was stacked away where it will probably, if my deductions are correct, emerge soon as a gratuity of the current government.

In this case an end will be served and the hungry will benefit but I'd like to use this example to focus the vision of some of my more weak-eyed readers on a similar set of circumstances that is being carried on on a global basis.

Millions of dollars in food, equipment and material is being transported to remote corners of the world by plane, train, ship and truck for which we wretched taxpayers not only pay for the merchandise, but we pay the freight, warehousing and administrative costs in overseas and South American areas. Then what has happened in many cases? It is turned over to the groups in power who then use it as a political tool without so much as a casual reference to the citizens of the United States of America.

I think the Mexican people are more right than we like to admit in refusing our food when they can supply their own. These jack-a-napes from other lands whose thinking is caught in the murky edges of the curtain are who perturb me. I'm going to demand from my Congressman that he institute a bill making it a subversive act to give away anything paid for by the hard earned and sweaty American tax dollar unless it is unmistakably stamped with that fact that you and I paid for it and that includes everything from pork chops stamped in vegetable coloring with these words: "Given without hope of repayment by a citizen of the USA," up to and including heavy equipment and machinery upon which will be stamped, in big letters that cannot possibly be painted over or chiseled off: "This was paid for by a tax on the people of the USA."

Bids Asked on Mail Transportation

Bids are being asked by the Post Office Department for transportation of mails from San Diego to Lemon Grove, Spring Valley, La Mesa, Grossmont, El Cajon, Santee, Lakeside and Ramona.

A new plan, calling for one less trip per day than is made currently is scheduled.

Sealed proposals will be accepted by Assistant Postmaster General, Bureau of Transportation, until May 13.

Beware the fury of a patient man. **Dryden**

Firm Starts New Building On Broadway

Work started this week on a new Broadway building which will occupy the space between Carr's Hardware and the highway.

The building will house two retail outlets and is being built by Mt. Helix Associates. The construction is being handled by Ed. Dunn, well known business building contractor. The building will house a men's wear shop, called the Highlander, and a quality women's shop, called Marsi's. Both firms have outlets in El Cajon and in the Bay Cities.

Groups Join for Grove Swimming Pool

A committee was formed Wednesday March 24 to develop means of obtaining funds to build a swimming pool in Lemon Grove.

Individuals representing every local organization were invited to attend. While most members must report to their parent organization to get approval to participate, enthusiasm shown at the initial meeting indicated that most organizations would join the project.

A sub-committee was named and dates of May 14 and 15 were set for a public carnival.

Tom Warburton was named general chairman and Palmer Svalstad, secretary. They pointed out that the project would be an all-community one and that the project would extend over several years.

No swimming pool plan nor site will be considered until the success of the overall project is assured, they stated. The next meeting will be Wednesday, April 7, at 7:30 p.m. in San Miguel School.

Officers Named For Hi-Y Group

The Lemon Grove Hi-Y had an election of officers at Lemon Grove Junior High School, March 25.

Officers are: Tom Welbaum, president; Kenn Strattan, vice-president; Leo Kennison, secretary; Jimmy Carter, sgt. at arms.

After the business meeting movies about World War II were shown and refreshments were served.

School Advisory Committee to Hold First Meet

The first regular meeting of the newly formed Citizens' Advisory Committee of the Lemon Grove School District will be held in the junior high auditorium on School Lane at 7:30 April 1. All organizations contacted by the organization committee have been urged to have representatives at this initial meeting.

With R. W. Von Willer as chairman of the organizing committee, a tentative constitution and set of by-laws has been considered by the original committee appointed to set by the permanent group. This constitution is to be considered and possibly adopted during the business of the evening.

Light refreshments will be served to the committee members.

Campfire Girls Peanut Sale Gets Under Way

The Camp Fire Girls in San Diego County are back in the peanut business again and John Dail heads the Lemon Grove part of the project.

Starting Friday, April 1, through the 17th, nearly 2000 of the young sales lassies will be punching door bells in an effort to sell 100,000 cans of peanuts to raise funds to help them with their summer camping program. Last year, the first time the girls sold peanuts, funds were used for badly needed repairs at Camp Wolahi, the Cuyamaca Mountain site which is the center of summer activities for nearly 1000 girls between the ages of 7 and 18.

Among the most necessary work at Camp Wolahi now, according to Miss Rosemary Waters, director of the Camp Fire Girls Council, is completion of a well. The present water supply will not adequately serve the camp, Miss Waters said. The second big item for which the Camp Fire Girls, Blue Birds and Horizon Club members will be raising funds with their peanut sale is repair of the swimming pool at camp. Swimming is one of the principal activities, Miss Waters pointed out.

The sale, which has the slogan "It only takes peanuts to help support the Camp Fire Girls," is under the general chairmanship of William J. Flanagan, San Diego.

Storms Total 4½ Inches of Rain

Monday night's storm brought one third of an inch of rain to Lemon Grove, according to James Pearce, local weather prophet. He said that March storms brought 4.64 inches and the year's total to 14 inches.

Purses Being Snatched Is Warning

Look out for Purse-nappers, warns Mrs. Fred Ward, wife of the lumberman.

She reports that her purse was lifted from her shopping cart in Davis Market last week.

No suspect was named.

The period of hibernation is over and numerous political aspirants are now cautiously sniffing the breeze to ascertain their chances of success in the forthcoming campaign.

—DL—

We are gratified that Ralph Cloyed has entered the state Senatorial race. He is well known and liked in Lemon Grove. Senator Kraft has given little attention to this growing community. Even former Governor Warren on his last whistle-stop-tour paid us a visit and shook hands and conversed with a few of us.

—DL—

For three years or more we have enjoyed reading "Fortnight" whose masthead carries the slogan "California's Own News Magazine." Its unbiased presentation of politics, government, sports and business in the state is very much to the point, and now the political heat is about to be turned on. You will appreciate the factual comments. This magazine is patterned somewhat after the old "San Franicsco Argonaut" but no so local in its make-up.

—DL—

The recent dedication of a new church in Lemon Grove recalls a poem by the late Ellen Wheeler Wilcox entitled—

"THE WORLD'S NEED"

"So many Gods, so many creeds
So many paths that wind and wind
While just the art of being kind
Is all the sad world needs."

—DL—

The renaissance of the Lemon Grove Men's Club is of inestimible benefit to the community. This institution was formed when Lemon Grove was just a wide spot in the road and was composed of merchants, ranchers and farmers. (We had the two latter in those days.) Local problems were discussed and it attracted the county and city officials who gave us the benefit of their experiences. During World War II it faded but now under the tactful handling of President George Casteel its revival has aroused great interest. The Club is unique in that it has no officers except a President and Secretary, and is no part of a chain. There are no dues—the usual service club ritual is dispensed with and following a good meal a round table discussion on items of local interest completes the meeting. Already considerable support has been given the Lemon Grove Chamber of Commerce which is doing very nicely of itself these days.

The San Diego City Council granted permission for shooting finches at the Agricultural Department's Horticultural Station at Torrey Pines. The birds were raiding the strawberry patch. Gunfire was limited—8:00 a.m. to 5:00 p.m. Monday thru Friday—apparently the finches have a union too, and only work a forty hour week.

We received a note from an out-of-state girl friend, formerly a resident of Lemon Grove. She remarked, "It's unbelievable, but there is a Reverend Dan in every town." We pass this along without comment!

WHEN LINDLEY'S DRUG STORE WAS THE 'BUSINESS BLOCK'

This picture of the southwest corner of the Broadway-Main streets intersection was taken in 1947. It is hard to imagine that this was the only building in the Broadway block just seven years ago. Notice the vacant lot to the right of the drug store. At that time Bob Lindley recalls that the post office was in the building now the offices of Dr. Thayer Crow, and that George Casteel's office on the corner of the intersection was the only business within shouting distance. More excursions into Lemon Grove nostalgia will be published in future issues of the REVIEW. Tony Sonka, who, together with his family, played an important role in the development of Lemon Grove, will supply material for the Lemon Grove historical articles. We urge readers to start a scrapbook on this interesting series.

'Bill' Howell To Run for Sheriff's Post

Because he believes the office of Sheriff of San Diego County needs a "complete overhaul," William F. "Bill" Howell, 42, of 3823 Ray st. has announced his candidacy for that office.

An officer with the California Highway Patrol in San Diego County since 1935, Howell was graduated from San Diego High School and State College. He is a member of the Church of Latter Day Saints.

"One of the most serious flaws in the current operation of the Sheriff's office in San Diego," Howell said, "is the complete lack of a juvenile division to handle the alarming number of cases in the County involving our youngsters. This is a problem requiring immediate attention.

"There is a need for closer surveillance at the international border on a year-round 24-hour-a-day basis, and not just at election time.

"There is also urgent need for cooperation with the Courts, with other law enforcement agencies and for some display of interest in traffic law enforcement to help reduce our mounting toll of fatal accidents."

Other items in Howell's platform include a program of decentralization to effect savings of "money and man hours now being wasted" and the organization of a colorful Sheriff's Posse among the horsemen of San Diego County.

The Posse, Howell said, could be used in various functions around the County and any funds received could be utilized for child welfare and juvenile delinquency.

Howell has taken a leave of absence from the Highway Patrol to campaign for election.

Local political observers opined that Lemon Grove would give heavy support to Howell because of a long term record of cooperation on Lemon Grove matters.

Budgie Society Votes To Close Band All Parrakeets

At the regular March meeting of the San Diego County Budgie Society the membership voted to close band all young parrakeets before they come out of the nest. This step was taken in cooperation with all of the large bird shippers of Southern California, who have stated that effective June 1, 1954, they will not purchase or ship any parrakeets that are not banded with a closed band. Members of the local Society signed a letter which had been signed by most of the large shippers, outlining this procedure.

Don Irwin, Lion tail twister, visited the insane hospital and found a patient fishing over a dry flowerbed, so he asked how many he had caught. "You're the tenth," said the poor man.

Jack Durham April Cancer Crusade Chairman

Jack Durham has been named campaign chairman for the April Crusade Against Cancer, Gordon McNary, campaign committee chairman, announced this week.

As chairman, McNary said that Mr. Durham will direct the local educational and fund raising activities of the Lemon Grove unit. assisting him will be Mrs. Betty Martin and Mrs. Mary Curl.

Primary aim of the 1954 campaign will be education on the "seven danger signs of cancer," he said.

"Cancer," he explained, "works quietly within its victims and often is not discovered until it is in too advanced a stage to respond to treatment. However, if the danger signals of the disease are recognized early enough for effective treatment to begin, a substantial number of cures can be achieved. Often a cancer victim can save his own life simply by being alert."

He listed the seven danger signals as these: any sore that does not heal; a lump or thickening in the breast, or elsewhere; unusual bleeding or discharge; any change in a wart or mole; persistent indigestion or difficulty in swallowing; persistent hoarseness or coughing; any change in normal bowel habits.

DE MOLAY QUEEN?

Donna Easley, 3680 Vista Ave., will represent Lemon Grove Saturday at the La Mesa DeMolay Sweetheart Ball. Job's Daughters, DeMolay's and their friends are invited to the affair which will be held at the American Legion Hall in La Mesa.

Lemon Grove, La Mesa and El Cajon Job's Daughters have all chosen a sweetheart to be voted on the night of the dance. The crowning will take place at 10:30 and the queen will receive a bouquet of flowers and a beautiful pin.

Candidates are Alice Puibisius of La Mesa, Sue Dowdy of El Cajon, in addition to Donna Easley. The dance is from 8 to 12 with dancers swaying to the music of the "Starlighters."

Worth repeating: America has 58,000,000 kids under age nineteen, and 28,000,000 of them receive no religious instructions whatsoever! Dan Apra, pastor of the Congregational Church says it's awful.

Woman's Vogues to Show 'Parcel Post'

"Parcel Post" will be the theme of the next meeting of the Lemon Grove Woman's Club Vogue Section on Tuesday, April 6 at the club house. The Parcel Post sale is a ways and means project but promises to be lots of fun.

Each member has received packages from out of state which will be sold at the "Parcel Post" meeting.

Ideas for decorating Easter eggs will be most welcome from all members attending.

New District President Named for P-TA

At the March meeting of the Ninth District P-TA, Mrs. S. K. Solleder, president of Mt. Helix Council, reported on "Opportunities Realized." In her discussion, Mrs. Solleder praised the work done by P-TA units in the La Mesa-Spring Valley and Lemon Grove School Districts, pointing out the active participation of men in all units, the aid given to successful school bond elections, the growth of well-baby conferences, and the development of many other projects in the thirteen schools of the council.

Mrs. J. A. Hodges, present first vice president of Ninth District P-TA, was elected president of the district for a term of two years at the meeting. A native Californian, she attended schools in Fullerton before graduating from the University of California at Berkeley. Since coming to San Diego in 1931, Mrs. Hodges has been active in association work in units, councils, and the district, and she is one of two recipients in the San Diego area of a national honorary life membership. Her husband is a teacher in the San Diego City Schools.

Mrs. Henry G. Herms, Lakeside, who is presently head of the Foothills Secondary Council in this area, was elected to the position of Ninth District historian. Installation of officers is scheduled for May 25.

Ratner Recommends . . . Here are this week's recommended records by Ratner Electric, 8th & Broadway in downtown San Diego. "Here," Tony Martin; "Alone Too Long," Nat 'King' Cole; "Mountain High—Valley Low," Dorothy Cillins; "That Girl," Eddie Bracken; and "Jilted" by Teresa Brewer.

Ugh, Man! . . . Music suitable for pow-wows, medicine dances and rain-making is being made available by the Library of Congress. Three LP albums of American Indian Music were recently issued for sale to the public at $4.50 per album. The music was recorded early in the century and is said to be very rare. Each disk is accompanied by English translations.

Vienna Woods . . . Austria, long one of the music centers of the world, is depending almost entirely on the U.S. and Germany to provide hit tunes. In 1953 not a single domestic hit was produced in the birthplace of the waltz. "Moulin Rouge," "Granada," "Half as Much," "Blue Tango," "I Believe," and others were top tunes with the Austrians.

Record Round-Up . . . Top five popular records at Ratner's this week: (1) "Young at Heart," Frankie Sinatra; (2) "I Get So Lonely," Four Knights; (3) "Wanted," Perry Como; (4) "Cross Over the Bridge," Patti Page; (5) "Man With the Banjo," Ames Brothers. School Officials Off to Sacramento

Byron L. Netzley, school superintendent of Lemon Grove, and Paul Reynolds, school business manager, left Tuesday for Sacramento where they attended a meeting of the State Allocation Board. During this one day at the state capital, they hoped to have the recent bid on the Lemon Grove Education Center approved, so that construction may begin as soon as possible.

The center, which will be built with Federal funds granted over two years ago for this project, is to be located on property on Kempf and Lincoln Streets, and will house district administrative offices, board room, business office, and a mimeographing room. It is to replace the present temporary offices on Acacia st. as that old frame structure must be sold, according to a previous agreement, and the sale money returned to the State building fund.

Nurses to Meet In Balboa Park

Licensed Vocational Nurses Association of San Diego County, monthly meeting will be held April 6 at 7:30 p.m. in the Belcher Room, House of Hospitality, Balboa Park for a business meeting and election of Board of Directors.

Grove Resident Heads Pomona Group

CLAREMONT, March 24 — John Jensen, son of Mr. and Mrs. John E. Jensen, 2580 Bonita, recently was elected president for the coming year of the Associated Students of Pomona College, student governing body at Pomona. His campaign was based on a program for increasing student interest in their government and for more efficiency in the operation of committees.

Jensen was secretary of the ASPC last year and in 1951-52 he was freshman class president. He is a Ghost, honorary men's organization whose members are chosen for leadership in campus activities.

A Grossmont Union High School graduate, Jensen is a junior at Pomona College, where he is majoring in economics and law.

LETTERS TO THE EDITOR

Lemon Grove Review
Dear Sir:

We've appreciated receiving the Review but I have a feeling that our subscription has just about expired. (It has. Ed.)

We've been following with interest (and hearty approval) your not-so-cheerfully-named, but let's hope worthwhile-result-producing Dimmer View. Keep up the excellent work. We'll be watching.

As you have probably noted in the national press, this area (Albuquerque, N.M.) could benefit by activity such as yours.

Lemon Grove seems to be growing by leaps and bounds according to your reports. Sounds wonderful! I know the Review is partly responsible.

If you ever travel east drop in. We're just a block off highway 66.

Sincerely,
The R. J. Goodwins

Red Cross Column

By CHARLES GURLEY
Public Information Chairman

The Lemon Grove branch of the Red Cross needs a volunteer for the job of chairman of our motor service, according to an announcement made by Mrs. G. R. Roberts, chairman of that group yesterday.

"We already have our own station wagon and three qualified drivers and need someone who will accept the responsibility of chairman who will be available for telephone calls and also see that the station wagon is cared for, anyone who will volunteer for this job will please phone Mrs. Roberts, HO 6 6839.

"It finally looks as though when the latest returns are all in," said Mrs. Roberts, "that our Lemon Grove branch will just make its quota in our recent membership and fund drive and we wish to thank deeply all those who have worked so untiringly in our great cause."

Patricia's Togs Shown At Woman's Club

Clothes suitable for all occasions from Patricia's, 7887 Broadway, were shown Tuesday at the Lemon Grove Woman's Club dessert fashion show.

Spring flowers were used in decorating by Mrs. L. D. Newton and Mrs. Frank Barber for the event in which both Junior and Senior members participated.

Mrs. H. J. Warner, ways and means chairman, was assisted in serving by Mrs. Thayer Crow and the club's new members. Mrs. Earl P. Matthew of La Mesa volunteered professional assistance as did Molly Morse, who was commentator.

Club members who acted as models in addition to Mrs. Warner and Mrs. Crow were Mmes. W. C. Hubbard, O. A. Patterson, Ralph Richardson, Lawrence Sozzani, William Castle, Ralph Kraft, Fred Scheneman, and Miss Clara Sonka. Others were Mrs. R. L. De Munn, Mrs. Dennis Fenton and Miss Carol Crow.

Proceeds will be added to the club's fund for philanthropic use.

Elder Hyatt Transferred to Hemet

Elder W. L. Hyatt, pastor of the Seventh-day Adventist church has been transferred to the church at Hemet, California, and Elder W. R. Robinson from Hemet began his work at the Lemon Grove church by launching the annual Ingathering Appeal, to help support and extend world-wide mission work.

Rehabilitation work in Korea will come in for a large share of funds raised in this year's appeal. In Korea, Adventists operate war orphanages and hospitals which are still overflowing as a result of the Korean war.

The church plans to reach its $2000 goal for this year in about six weeks through member and business firm contributions and door to door solicitation.

LETTERS TO THE EDITOR

Dear Mr. Editor:

My name is Janet Smith and I live at 6739 Hibiscus Drive.

I appeared in a picture in the Lemon Grove Review last week with two other Girl Scouts. It said we all attended St. John of the Cross School and that we were winners of a cookie contest held by that school.

I am a student at the San Miguel School and the cookie contest is an annual event of the Girl Scout organization.

Yours truly,
JANET SMITH

Dear Janet:

I am very sorry the story about the cookie sale was printed incorrectly in last week's paper. The mistake was made inadvertently; please accept my apologies. Thank you for writing the letter so that the error could be corrected.

Civil Defense Notes

Charles Gurley HO 6-3745

With the recent developments of the Hydrogen bomb it seems necessary that we in Civil Defense revaluate and reorientate our plans and while the arguments between those who favor shelters and those who favor evacuation, goes on without decision, the time for actual need grows shorter according to information released yesterday by Dr. Frank B. Gigliotti.

"Those who wish to prepare shelters for their families," said Dr. Gigliotti, "should obtain all the information from us and follow proper plans as to essential venting and other important engineering details. We can also be helpful with information about necessary food and water supplies.

"With bombs growing so big we find it difficult to even test them safely it is more important than ever that we who may be on the receiving end of some not intended to be safe make the most of our chances," concluded Dr. Gigliotti.

Concept of God Forms Character Lesson Text Says

A child's concept of God will form his character in paths of integrity and uprightness, says the Sunday Lesson-Sermon in all Christian Science churches. The subject is "Unreality."

Selections from the King James Version of the Bible include these words of admonition from Proverbs (22:6, 23:12), "Train up a child in the way he should go: and when he is old, he will not depart from it. . . . Apply thine heart unto instruction, and thine ears to the words of knowledge."
